

Land of Hope and Glory

English

In English we will be reading, performing and writing poetry, focussing particularly on limericks, cinquains, acrostic poems and nursery rhymes.

We will then move on to creating persuasive adverts and travel brochures for UK capital cities, to link with our Geography learning.

We will be continuing with our ongoing spelling, grammar and punctuation work. As a class, the children are finding spelling tricky, lots of practise on Spelling shed will help to develop their spelling.

Topic

Our topic work will have a geographical focus this half term. We will be learning to locate the 4 countries that make the UK and name them along with their capital cities, this will also include using the eight compass points. Children will learn about the seas and rivers in and around the UK. We will also consider how the UK has changed overtime, focussing particularly on London.

In Design and Technology, we will be learning about bread production and the British company Warburton's. This will lead on to designing, making and evaluating our own bread products.

Maths

In Maths we will mostly be learning about Fractions, including fractions of shapes, amounts, numbers, comparing and ordering fractions, equivalent fractions, adding subtracting and multiplying fractions.

Year 4 will also learn about decimals and fraction/decimal equivalents.

Year 3 will move onto mass and capacity.

Don't forget to support your child in preparing for Times table check in Spring of Y4 by encouraging them to play on TT Rockstars regularly.

Science

We will be focusing on investigation skills this half term in Science. Children will be developing their skills to predict, observe, measure, record, analyse, evaluate, discuss and create graphs and charts.

As your child about what STEM is and what it stands for.

pe

Our PE sessions are on Wednesday afternoons. Children should have full outdoor PE kit in school. Long hair should be tied up and all jewelry, including earrings will need to be removed. Our PE this half term will be dance Children will continue to learn about health and well being and how are bodies work during exercise. They will be encourage to work as a group and learn different techniques for performing dance.
